22/23 Year in Review

	BUDGET/DAY	ACTUAL
Breakfast	60	48
Lunch	275	250
Ala Carte	\$185	\$225

23/24 Budget vs. Actual

	BUDGET/DAY	SEPTEMBER ACTUAL
Breakfast	50	123
Lunch	248	446
Ala Carte	\$231	\$191

Although breakfast and lunch participation is over budget, currently only 15% of the student population is eating school breakfast and 54% is eating school lunch. We hope to work with both building administration to come up with ways we can feed more students at breakfast. Examples include breakfast in the classroom at the Elementary and at the MSHS a breakfast cart positioned near bus drop-off doors and/or a second chance breakfast offered later in the morning.

Ala carte sales will increase in the month of October due to more counter space to hold freshly prepared options like iced donuts with sprinkles, soft pretzels with cheese sauce, freshly baked cookies, pudding parfaits, and more!

TRENDY NEW PRODUCTS

We continue to bring in tasty and fun new items for breakfast, lunch and ala carte that students will love!

All of our new items have been student tested and selected!
