Return the completed application to: **Business Office, Whiteford Schools, 6655 Consear Road, Ottawa Lake, MI 49267.**
4. **SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE ALREADY APPROVED FOR FREE MEALS?** No, but please read the letter you got carefully and follow the instructions. 5. **CAN I APPLY ONLINE?** Yes! You are encouraged to complete an online application instead of a paper application if you are able. The online application has the same requirements and will ask you for the same information as the paper application. Your child's application is only good for that school year and for the first few days of this school year, through **October 17, 2023.** You must send in a new application unless the school told you that your child is eligible for the new school year. 12. **WHAT IF MY INCOME IS NOT ALWAYS THE SAME?** List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
13. **WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT?** Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.

14. **WE ARE IN THE MILITARY. DO WE REPORT OUR INCOME DIFFERENTLY?** Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, it must also be included as income. While the above Income Eligibility Chart is for benefits under the Federal programs, you may still be eligible for the State program benefits. To be eligible for any School Meal program, please apply via the included application form or submit online to ensure that our district complies with the Michigan School Meals provisions and can extend benefits to students.

How To Apply for Free and Reduced Price School Meals

Please use these instructions to help you fill out the application for free and reduced price school meals. You only need to submit one application per household, **even if your children attend more than one school in the**

The application must be filled out completely to determine the eligibility of your child(ren) for free or reduced price school meals. Please follow these instructions in order! Each step of the instructions is the same as the steps on your application. If at any time you are not sure what to do next, please contact

Please use a pen (not a pencil) when filling out the application and do your best to print clearly.

Step 1: List ALL children, infants, and students up to and including grade 12

Tell us how many infants/toddlers, children not in school, and elementary/middle/high school students live in your household. They do NOT have to be related to you to be a part of your household.

Who should I list here? When filling out this section, please include ALL members in your household who are:

- Children age 18 or under AND are supported with the household's income;
- In your care under a formal foster arrangement through a court or state/local agency, or qualify as homeless, migrant, or runaway youth;
- Students attending (regardless of age)

A) List each child's name. Print each child's name. Use one line of the application for each child. When printing names, write one letter in each box. Stop if you run out of space. If there are more children present than lines on the application, attach a second piece of paper (or a second application if completing electronically) with all required information for the additional children. This also applies to adults in Step 3. "MI" is short for middle initial. Print the first letter of each child's middle name in the box.

B) Is the child a student? If "Yes," write the grade level of the student in the "Grade" column to the right.

C) Do you have any foster children? If any children listed are foster children, mark the "Foster Child" box next to the child's name. If you are **ONLY** applying for foster children, after finishing **Step 1**, go to **Step 4**.

Foster children who live with you may count as members of your household and should be listed on your application. If you are applying for both foster and non-foster children, go to Step 3. Note: Adopted children are not considered foster children. A foster child is a minor child who has been taken into state custody and placed with a state-licensed adult, who cares for the child in place of their parent or guardian.

D) Are any children homeless, migrant, or runaway? If you believe any child listed in this section meets this description, mark the "Homeless, Migrant, Runaway" box next to the child's name and complete all steps of the application. Homeless, Migrant, Runaway status must be confirmed with the appropriate program staff. If the school district cannot confirm your student's homeless, migrant, or runaway status, then the school district will contact you to complete an income-based application. You may choose to provide income information now in order to prevent the school district from potentially needing to contact you later.

Step 2: Do any household members currently participate in SNAP, TANF, or FDPIR?

If anyone in your household (including you) currently participates in one or more of the assistance programs listed below, your children are eligible for free school meals:

- The Supplemental Nutrition Assistance Program (SNAP) or
- Temporary Assistance for Needy Families (TANF) or
- The Food Distribution Program on Indian Reservations (FDPIR).

A) If no one in your household participates in any of the above listed programs:

- Check “No” in **Step 2** and go to **Step 3**.

B) If anyone in your household participates in any of the above listed programs:

- Write a case number for SNAP, TANF, or FDPIR. You only need to provide one case number. If you participate in one of these programs and do not know your case number, contact:
 - Go to **Step 4**.

Step 3: List ALL household members and income for each member

How do I report my income?

- Use the lists titled “**Sources of Income**” & “**Examples of Income for Children**,” on the back side of the application form to determine if your household has income to report.
- Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents.
 - Gross income is the total income received **before** taxes and deductions.
 - Many people think of income as the amount they “take home” and not the total, “gross” amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.
- Write a “0” in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write “0” or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials suspect that your household income was reported incorrectly, your application will be investigated.
- Mark how often each type of income is received using the check boxes to the right of each field.

3.A. Report income earned by adults

Who should I list here?

- When filling out this section, please include ALL adult members in your household who are living with you and share income and expenses, even if they are not related and even if they do not receive income of their own.
- **Do NOT include:**
 - People who live with you but are not supported by your household’s income AND do not contribute income to your household.
 - Infants, children and students already listed in **Step 1**.

Step 3: List ALL household members and income for each member

1) List adult household members' names.

Print the name of each household member in the boxes marked "Names of Adult Household Members (First and Last)." Include college students, unless they are declared independently on taxes (all college students are considered adults). Do not list any household members you listed in Step 1.

2) List earnings from work.

List all income from work in the "Earnings from Work" field on the application. This is usually the money received from working at jobs. If you are a self-employed business or farm owner, you will report your net income. Net income is your income after taxes and deductions have been subtracted.

- **What if I have multiple jobs?** List each job separately by entering your name and income from each job on a new line. Add an additional sheet of paper if necessary.
- **What if I am self-employed?** List income from your business as a net amount. This net amount is calculated by subtracting the total operating expenses of your business from its gross receipts (revenue). Gross receipts or revenue are all the income earned from the sale of any products or services offered.

If a child listed in **Step 1** has income, follow the instructions in **Step 3, Part B.**

3) List income from public assistance/child support/alimony.

List all income that applies in the "Public Assistance/Child Support/Alimony" field on the application. Do not report the cash value of any public assistance benefits NOT listed on the chart. If income is received from child support or alimony, only report court-ordered payments. Informal but regular payments should be reported as "other" income in the next part.

4) List income from pensions/retirement/all other income.

List all income that applies in the "Pensions/Retirement/All Other Income" field on the application.

- **What if I receive income from multiple sources in this category?** List each source separately by entering your name and income from each source on a new line. Add an additional sheet of paper if necessary.

5) List total household size.

Enter the total number of household members in the field "Total Household Members (Children and Adults)." This number **MUST** be equal to the number of household members listed in **Step 1** and **Step 3**. If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household affects your eligibility for free and reduced price meals.

6) Provide the last four digits of your Social Security Number.

An adult household member must enter the last four digits of their Social Security Number in the space provided. You are eligible to apply for benefits even if you do not have a Social Security Number. If no adult household members have a Social Security Number, leave this space blank and mark the box to the right labeled "Check if no Social Security Number."

3.B List income earned by children

List all income earned or received by children.

List the combined gross income for ALL children listed in **Step 1** in your household in the box marked "Child Income." Only count foster children's income if you are applying for them together with the rest of your household.

- **What is Child Income?** Child income is money received from outside your household that is paid **DIRECTLY** to your children. Many households do not have any child income.

Step 4: Contact information and adult signature

All applications must be signed by an adult member of the household. By signing the application, that household member is promising that all information has been truthfully and completely reported. Before completing this section, please also make sure you have read the statements on the back of the application.

A) Provide your contact information. Write your current mailing address in the fields provided, if this information is available. If you have no permanent address, that is okay. Sharing a phone number, email address, or both is optional, but helps us reach you quickly if we need to contact you.

B) Print and sign your name and write today's date. Print the name of the adult signing the application and that person signs in the box "Signature of adult."

C) Mail completed application to:

Optional

Share children's racial and ethnic identities (optional). On the back of the application, we ask you to share information about your children's race and ethnicity. This field is optional and does not affect your children's eligibility for free or reduced price school meals. This information is requested solely for the purpose of determining the State's compliance with Federal civil rights laws, and your response will not affect consideration of your application, and may be protected by the Privacy Act. By providing this information, you will assist us in assuring that this program is administered in a nondiscriminatory manner.

Please return the application directly to your child's SCHOOL. DO NOT mail, fax, or email completed applications or questions about applications to the USDA Office of the Assistant Secretary for Civil Rights or your child's eligibility for free or reduced-price meals will be delayed.

Cafeteria Meal Payment Guidelines

2023-2024 School Year

Whiteford Schools utilizes a computerized sale system for all cafeteria sales. This system – called **Meal Magic®** – benefits the school, staff, students and parents alike.

Note: Whiteford Agricultural Schools will be participating in the Michigan School Meals program as part of the National School Lunch and School Breakfast Programs for the 2023-2024 school year. **THE GREAT NEWS IS that all students enrolled at our schools can receive ONE healthy breakfast and ONE lunch each day at NO CHARGE to your household (second meals will be charged at the normal price, as well as any ala carte purchases).**

We still need your household to complete the Free and Reduced-Priced Meal Application since the amount of money the district receives from a variety of State and Federal supplemental programs is based on the number of students who “qualify” for free or reduced-price meals. It is easiest to complete the application via the Family Portal link at <https://whiteford.familyportal.cloud>; a link can be accessed from the district's website on the Food Service page. If unable to submit electronically, please complete the paper application and return it to the school district as soon as possible.

DEPOSITS TO ACCOUNTS: For efficiency in moving students/staff through the serving line in a timely manner, students/staff will need to pre-pay for their ala carte/meal purchases. Deposits to individual accounts can be made in any denomination (i.e., \$10, \$20, \$50 or more) or based on individual meal prices. All deposits need to be made at the school by cash or check; at this time the district is unable to accept online deposits for meal service. *Deposit envelopes and secure bins for dropping off deposits are located outside the elementary cafeteria, high school office and middle school staff lounge.*

If you have more than one child in the school district, you only need to write one check for their ala carte purchases, regardless of which building(s) they are in. Simply indicate on the deposit envelope the names of the children, student ID numbers and how much you want in each account. We can split funds evenly between family/household members (i.e., \$60 split between three children = \$20 towards each account) or designated amounts by child. *If there is no designation on the envelope, deposits will be split evenly between family/household members.*

Deposits made between the hours of 7:00 a.m. – 11:00 a.m. will be applied to accounts that day; deposits made after 11:00 a.m. will become available the following business day. It's important that students/staff drop off deposits before the start of the school day. It is recommended that students/staff deposit money in their account to cover 2 weeks or more of food purchases at a time.

ACCOUNT BALANCES: Account balances can be viewed 24 hours a day/7 days a week online at the website listed below (a link to this site is also available on the district's website (OUR DISTRICT / FOOD SERVICE / then scroll down to the right under the RESOURCES heading)). Balances will be carried over from one school year to the next.

<https://whiteford.familyportal.cloud>

LOW BALANCE NOTICES: No automatic email notices will be sent this year due to the free Michigan School Meals Program. Parents should regularly keep track of their student's account balance via the above website as they may run low on funds for ala carte purchases.

CASH WITHDRAWALS: Account balances will stay with the individual until the individual leaves the school district. No cash withdrawals are allowed from any account for any reason during the school year. Balances on accounts in excess of \$10.00 will be refunded to individuals who leave the district or graduate, if a request is made in writing by the parent and a mailing address is provided.

CHANGE RETURN GUIDELINE:

- ◆ Elementary Students: The district has implemented a “no change” guideline for students in the elementary building. Any student presenting cash for a transaction will not have change returned to them; it will be applied to their individual account.

- ◆ Middle/High School Students: Students are discouraged from presenting cash for transactions. It is suggested that students in the middle/high school also have their “change” applied to their individual accounts. Change will only be given if requested.

FREE & REDUCED-PRICE MEAL APPLICATIONS: Families are encouraged to submit applications for free or reduced priced meals any time the family financial situation changes. If you have an Internet connection available, you may complete the application online at <https://whiteford.familyportal.cloud>. A link to this site is also available on the district's website (*OUR DISTRICT / FOOD SERVICE / then scroll down to the right under the RESOURCES heading*). This secure online application method will speed up the processing of your application.

Please keep in mind that changes in eligibility status are not final until approved by the appropriate district official. You will receive written notification of the status of your application when processed.

PIN NUMBER – MS/HS STUDENTS: Students in grades 6-12 will need to know their 5-digit student ID number, which will also serve as their PIN number. As students appear at the register, they simply key in their PIN number and their account information will appear on the cashier's register screen, along with a photo of the student and pertinent information (i.e., account balance).

SECOND (2ND) MEALS: Students desiring a second meal during the meal period will be allowed to purchase an additional meal; however, it will be charged at the full meal rate.

Thank you for your cooperation with our food service point of sale system guidelines. Questions should be directed to the Business Office at 734.856.1443, ext. 111.

We may share your eligibility information with education, health, and nutrition programs to help them deliver program benefits to your household. Inspectors and law enforcement may also use your information to make sure that program rules are met. Please be sure to provide the last four numbers of the Social Security number of the adult household member who signs the application. If the adult does not have one, 'Check if no Social Security Number.' Applications for a foster child do not need to list a Social Security number. Applications for children in households receiving Supplemental Nutrition Assistance Program (SNAP) or Temporary Assistance for Needy Families (TANF) or Food Distribution Program on Indian Reservations (FDPIR) do not need to list a Social Security number. Some children qualify for free meals without an application. Please contact your school to get free meals for a foster child, and children who are homeless, migrant, or runaway.
