Hello, Bobcat Families,

The winter weather has finally arrived in Michigan with some snow and dangerously cold wind chills. With the school closures on Tuesday (1/16) and Wednesday (1/17), we are seeking support from our families to adjust our school calendar for ALL students at the ELEMENTARY and MIDDLE/HIGH SCHOOL buildings to best support our middle and high school students with semester exams.

I have outlined the changes below in **RED** to visually show the school calendar adjustments:

Date	Changed to...	Middle/High School Exams
Thursday (1/18/24)	FULL DAY	Blocks 1 & 4
Friday (1/19/24)	NO CHANGE-HALF DAY	Blocks 2 & 3
Monday (1/22/24)	NO CHANGE-FULL DAY	Blocks 5 & 8
Tuesday (1/23/24)	HALF DAY	Blocks 6 & 7

If your middle/high student has a conflict with an exam due to a previously scheduled appointment, please reach out to your child's teacher to make them aware. Our teaching staff will be willing to work with them to make up any missed exams.

Since we will be serving lunch on Thursday at both buildings, we will have the following menu. Further updates can be found here: <https://whiteford.nutrislice.com/menu>.

Elementary School

Popcorn Chicken

Mashed Potatoes

Cinnamon Applesauce

OR

Yogurt Parfait w/ fruit & granola, crackers, and cheese

OR

PB&J Sandwich

The Middle/High School

Beef and Cheese Tacos

Steamed Corn

Diced Peaches

OR

Bosco Sticks w/ Marinara

We want to give our middle and high school students the best chance of doing well on their semester exams, and we believe adjusting the school calendar will give them the best opportunity as they prepare for each exam. We are grateful for our families in making the necessary adjustments. If you have any questions regarding the schedule, please do not hesitate to contact your building principal or me.

Sincerely,
