

WHITEFORD ELEMENTARY NEWS BLAST

AUGUST
9TH

UPDATES

We are thrilled to introduce **Ms. Lainey Hillard** as our new transitional kindergarten teacher. Ms. Hillard, a proud Whiteford graduate, joins us from the University of Toledo. Her passion for early childhood education and dedication to fostering a nurturing learning environment will be a tremendous asset to our school community.

Additionally, I would like to take this opportunity to introduce myself as the new principal of Whiteford Elementary. My name is Sam Marsh, and I am honored to be part of such a wonderful community. I look forward to working together to ensure an awesome school year for all our students.

Thank you for your support as we embark on this new journey together.
