

WHITEFORD ELEMENTARY WEEKLY NEWS BLAST

May 24, 2024

Hello, Bobcat Families!

It seems like spring was very short-lived, and summer weather has come at us with a vengeance! Please be sure to outfit your kiddos with temperature-appropriate clothes (following the dress code below), and be sure they wear shoes with some sort of strap across the back so shoes won't fall off during PE or on the playground at recess. Only a couple more weeks to go!

The Whiteford Athletic Booster Club will be hosting its 34th annual Golf Outing on Friday, July 12th, 2024, at The Legacy Golf Club in Ottawa Lake. Please see below for all the details (look for 3 separate documents below), and remember, if you're not a golfer and do not wish to be part of a team, there are still numerous ways to donate! We thank you for your support!

Sign-ups for WRC Flag Football and Tackle Football went home with students last week on Thursday, May 16th (forms also attached below). The deadline for filling out and returning the permission slips to school, (with payment if paying by cash or check; otherwise, please pay online), is Friday, May 31st. Please return slips and payment on time as this helps the WRC plan for coaching needs and with organizing the teams. Thank you!

Don't forget to please **check the LOST & FOUND** for your children's lost/misplaced items (located on and around the hooks in the middle hallway). If you do not claim your children's items by the close of the school year, they will be donated to the Good Will. Thank you!

There is still **1 more Wednesday in May to send your students to school with their favorite hat and \$1** to support our sweet Derby. Also, remember to stop into the **Whiteford FFA Greenhouse** for some beautiful flowers; our FFA students do an amazing job and you won't want to miss it! Additionally, I'd like to remind you of the many amazing summer youth athletic camps (flyers with more details and links for online payment below)...we hope you are able to take advantage of the many excellent opportunities for your kiddos!

The United Way and Salvation Army are again teaming up to help children in Monroe County with getting school supplies for next school year! Attached below is a letter and a referral form for all students. There is no income verification for families, so **ANY** student in need may request a backpack filled with supplies for the 2024-2025 school year. Simply fill out the form below and return it to the Salvation Army per the instructions on the form. Don't hesitate to take advantage of this wonderful opportunity!

If you plan to have your child ride the bus next year, it is mandatory that you fill out and return a Transportation Request Form and return it to school by June 1, 2024. If you do not fill out and return it to school, your child(ren) will not be assigned to a bus route for the 2024-2025 school year. You can access a **Transportation Request Form** here: [Transportation Request Form](#). Additionally, they can be found on our website under the Transportation and New Student Registration Tab. Thank you for your cooperation.

Please review the "Important Dates" section at the bottom and keep reading the teacher newsletters for all the important upcoming activities and special events.

As there is **no school this coming Monday, May 27th, due to the Memorial Day holiday**, I wish you all a joyful extended weekend with your families!

Sincerely,

Marcy Anderson
Elementary Principal

WRC FLAG FOOTBALL 2024-2025 SCHOOL YEAR

This program is for students currently in Kindergarten through 3rd grade this year but will be in **1st through 4th grade for next year's 2024-2025 school year.**

Fax - 734-241-7181

May 1st, 2024

To Parents of Monroe County children:

"Supplying Our Future" Backpacks for Kids in Monroe County is a group of caring people who are working to make sure every child K-12 has the school supplies necessary to start school. In this trying economy, we know there are those who need a backpack filled with the necessary supplies for school. On the other side of this letter is an application that can be turned in at The Salvation Army for your child/children for the up-coming school year. We do not require income information on the application.

We understand seeking assistance is not always easy, rest assured there are many caring people and agencies working together to help your family during these tough times. We have distribution events planned throughout the county to make it easier for you to get these needed supplies. Please check which site will be convenient for you. We will have food and fun activities planned. If your family could benefit from this program, please fill out the application and turn it in. We will have information from many agencies that work with families available.

If you do not need assistance but would like to come to the fun back to school events you are still welcome to come. If you are able to assist us with donations to this program, we would be happy to accept them.

If you want further information on this program, you may call The Salvation Army at 734-241-0440 ext 103. We are working hard to make a successful start for the upcoming school year.

Sincerely,

Wayne Ruston

TRANSITIONAL KINDERGARTEN (TK)

Based upon survey data collected from families in December/January and other considerations, we are moving forward with a Transitional Kindergarten (TK) classroom for the 2024-2025 school year. The program is designed for students who will turn 5 between May 1, 2024-December 1, 2024. Students who turn 5 before May 1, 2024 will also be considered based on screening results. The TK program is limited to 15-18 students. Parents who were unable to attend Kindergarten Round-Up with their student will need to contact the Elementary Principal, Ms. Anderson, at anderson@whiteford.k12.mi.us or 734-856-1443 Ext.104 to set up a screening time for their child. We will begin contacting parents of students who meet the criteria for Transitional Kindergarten after May 1 to seek interest in enrolling in the Transitional Kindergarten program. You can access additional information by accessing [Transitional Kindergarten \(TK\) Information](#). Please contact Ms. Anderson if you have any questions about the program or setting up a screening time.

ELEMENTARY DRESS CODE

Here is the elementary dress code as written in our student handbook which can be found on our website:

While fashion changes, the reason for being in school does not. Students are in school to learn. Any fashion (dress, accessory, or hairstyle) that disrupts the educational process or presents a safety risk will not be permitted.

If a student has selected a manner of appearance that is beyond mere freedom of expression and disrupts the educational process or presents risk to themselves or others, they may be removed from the educational setting.

The following guidelines for styles or manners of dress must be followed:

- A. All tops must have at least two inches of material on the top of their shoulders.
 - B. All shorts, skirts, and dresses must be appropriate in length.
 - C. Hats are to be removed as you step foot into the building or before. Hoods may not be put up to cover a student's head. Except for hats for Derby Day 😊
 - D. Shoes must be worn at all times. Flip flops are prohibited footwear at the elementary school.
- Students who are representing [the school] at an official function or public event may be required to follow specific dress requirements. Usually, this applies to athletic teams, cheerleaders, bands, and other such groups.

Hats off to Derby!

Let's Celebrate Derby in Style!

This is Derby's 4th year here at Whiteford and on May 5th we will be celebrating her 6th birthday!. We are so thankful for everything she does each and every day for our students, staff, and families. We want to celebrate her commitment to Whiteford and provide our school community the opportunity to show their love and appreciation for all she does!

What: Every Wednesday in May, starting May 8th - students can donate **\$1** and will be able to wear a school appropriate hat for the day. Students can give the donation to their classroom teachers in the morning.

Don't want to wear a hat but want to show your Derby love? There will be a spot to donate to Derby in front of the office. Funds raised will contribute to purchasing food, treats, monthly heart worm and flea treatments, necessary vet bills, etc.

Thank you to everyone for your generosity and support in ensuring that our school facility dog program continues to be a success!

DO YOU HAVE AN INCOMING KINDERGARTEN STUDENT?

Entering kindergarten is such an exciting adventure - it's time to enroll your five or soon-to-be five year olds!

If you missed our screening day and would like to set up an appointment, please contact Marcy Anderson at anderson@whiteford.k12.mi.us.

For your child to enter kindergarten in the fall, the following items **must** be completed at registration time, and can be accessed on Whiteford's website under the "Student Registration" tab

- Certified Copy of the Child's Birth Certificate (MUST be presented to register)
- Registration Forms Completed (available on-site and online)
- Bi-lingual Information Completed
- Medical Information Form (MUST be turned in before the start of school)
- Proof of Residency (3 types)
 - Driver's License with correct Whiteford School District address
 - Paperwork from home purchase or rental agreement/lease
 - A current utility bill, (Gas, electric or landline phone bill --- a cell phone bill will not be accepted)
- Bus Transportation Form (If Applicable)

Note:

As of March 28th, we were notified by the Michigan Department of Health and Human Services that we do not need to require the dental screening for the 2024-25 school year. This is different information that we had at our initial kindergarten round up day on March 14. We have since found out that because it is not being offered through the Monroe County Health Department at no cost to families, we do not need to require it this school year. If you happen to get it completed by your local dentist, please drop it off in the office and we will add it to your child's records though.

Summer Wellness

May 17, 2024

Counseling Corner

Whiteford Elementary School

Summer Wellness: Supporting Your Child's Health & Happiness

As summer break rapidly approaches, it's a great opportunity to spend time focusing on nurturing healthy habits in our children's day-to-day routines. Ensuring they stay active, eat well, and maintain emotional balance are keys to a joyful and fulfilling summer break and can also aid in helping them prepare mentally, physically, and emotionally for the next school year! Continue reading to learn how you can support your child in these areas this summer.

Indoor & Outdoor Play

Encourage your child to participate in a minimum of 60 minutes of physical activity daily. This can involve indoor play that involves movement, as well. From a family bike ride to a nature scavenger hunt, a kids' yoga session, a stroll in the park, or a fun game of tag with friends, staying active not only enhances physical well-being but also uplifts mood and boosts energy levels. You can also consider enrolling your child in a summer sports camp or a new dance class to maintain their activity levels and discover new hobbies and talents! Monroe County Community College has tons of summer camps this year! See my Schoology group for more information.

Emotional Well-Being

Summer is a wonderful time to intentionally focus on strengthening our children's emotional well-being. We can support them by encouraging activities like drawing, writing, or playing music to help them express themselves. Additionally, guiding your child to identify and manage their emotions, set and achieve positive and realistic goals, and make responsible decisions are all important steps. Having regular conversations about their feelings and experiences can enhance your understanding of their emotional needs and strengthen your bond. Engaging in community activities such as summer camps and youth programs can introduce children to new experiences, foster relationships, improve social skills, promote physical activity, and boost confidence. Allocating time for quiet relaxation, reading, ensuring adequate sleep, and limiting screen time are equally important. By prioritizing the emotional health of our children during the summer, we can better prepare them for the upcoming school year. Consistent focus and intentional efforts are key to this practice.

Healthy Choices Through Food

Summer is the perfect time to enjoy a variety of colorful fruits and vegetables with every meal. Involve your child in the process of choosing and preparing meals to enhance their interest in nutritious foods. You can introduce a list of fruits and vegetables, allowing your child to select new ones to try! You can even turn this into a game by "rating" each food to make the exploration of new foods more exciting. Enjoy picnics with wholesome snacks like carrot sticks, watermelon, and homemade sandwiches for a fun and engaging way to eat well. Work together to prepare a new kid-friendly recipe featuring delicious fruits or veggies they already know they enjoy. And remember, stay hydrated by drinking plenty of water throughout the day! Opting for water instead of sugary beverages keeps us hydrated, while sweet drinks often contain added sugars and minimal nutritional value.

For more information on summer wellness, please visit my **Counseling Corner Newsletters and Resources** section within my **Resources** tab in my Schoology group.

August 28: Last day of Program

Latchkey begins first day after school dismisses

WHITEFORD ATHLETIC BOOSTERS GOLF OUTING LETTER

Whiteford Athletic Boosters Golf Outing 2024

Sponsored by Angie Wingerd & Skylight Financial Group Foundation

TO: Prospective Sponsors

FROM: Whiteford Athletic Boosters

SUBJECT: Golf Outing Sponsorship

The Whiteford Athletic Boosters will be hosting our 34th annual Golf Outing on Friday, July 12, 2024, at The Legacy Golf Club in Ottawa Lake, the area's premier golf club. We are very grateful to **Angie Wingerd and Skylight Financial Group Foundation** for being our lead sponsor again this year. In addition to Skylight Company support, we are looking for additional sponsors.

If you have supported this event in the past, we would like to express our appreciation for your generosity. Funds generated by events and activities sponsored by the Whiteford Athletic Boosters over the past year have allowed us to assist our athletic teams with items such as uniforms for the girls' volleyball, boys' and girls' cross country, middle school football and track and field teams; as well as balls and other necessary equipment for every athletic team at Whiteford.

We have numerous opportunities available, from \$200 for a hole sponsorship on up to \$500 for the hole-in-one contest sponsorship, and several others in between. Each of these opportunities comes with benefits commensurate with the value of the sponsorship. Please see the accompanying donation form for more details. We would ask that you please respond by Monday, July 1st to allow us time to ensure delivery of your sponsorship benefits.

You are welcome to participate in the event too. Space is limited, with the first 36 foursomes to be paid in full being accepted. The cost is \$90.00 per golfer, green fees, cart, and a chicken dinner at The Legacy restaurant immediately following golf. We would ask that you register and pay in advance to ensure a spot at the event. The outing will begin at 9:00 am. sharp with a shotgun start. Registration will begin at 7:30 am., and the range will be open at that time as well.

For more information, please contact event coordinators Mike Miller (419-490-4763) or at NLB.MILLER2020@gmail.com.

Thank you again for your support!
