March 24, 2023

Hello Bobcats!

I hope you have had a great week.

Spring Break:

I hope everyone enjoys the week off of school next week. I'm hoping the weather will brighten up a bit, so we can get outside and enjoy some sunshine.

Miss Ehman's Counseling Corner:

Please click the link for this week's [counseling corner](#) with some great tips "grounding" which is a type of self-soothing tool when one is experiencing big and intense feelings, stress, or anxiety. Miss Ehman always has great tips and there are links to her fun virtual counseling office pages.

Flower Sales:

The fourth grade flower sale flyers are being sent home today with all fourth graders plus it will be posted on Facebook and the Whiteford webpage. If you are interested in ordering, please do so by April 21. The pickup day is May 11 from 9 to 6 in the elementary parking lot. The flower sale helps fourth graders offset the cost of fifth grade camp next fall. The beautiful flowers are sold through Ottawa Lake's Lievens Farms and many look forward to this event every year.

Camp Invention: If you are interested in signing up - there is a discount available!

Camp Invention

Inspire your child's creativity and watch their confidence soar with our all-new Camp Invention® program, Wonder! When this nationally acclaimed program comes to Whiteford Agricultural Schools from June 19th to June 23rd, campers in grades K-6 will team up with friends for hands-on, open-ended STEM fun. They'll build their own mini skate park, become an imaginative event planner, launch their own pop-up business and transform a robot into a stuffie! Each experience is designed to spark curiosity, build persistence and create an unforgettable summer.

Camp Invention received a scholarship from Honda, so we are happy to announce that you can get **\$100 OFF** (regular price is \$260) if you are one of the first 27 students to sign up! Please visit [Whiteford Camp Invention](#) to get your HUGE discount!

We are currently in need of substitutes for our Administrative Assistants and Paraprofessionals/Aides positions in both our elementary and middle/high school buildings. If you are looking for a fun way to get involved in our amazing school community, please consider filling in as a substitute in one of our main offices or helping our incredible students and teachers as a classroom paraprofessional/aide. Interested applicants must apply through Applitrack by clicking [HERE](#) or visiting the school website and clicking on the "Job Postings" button on the homepage. Come join our Bobcat family, and encourage your friends to do the same!
