Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2020-21 educational progress for the Whiteford Agricultural School District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Superintendent Valerie Orr for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site: <https://bit.ly/3oBMvqy> or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

### Teacher Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

### NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

### Civil Rights Data

- Provides information on school quality, climate and safety

Review the table below listing our schools. For the 2019-20 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name <LIST ALL SCHOOLS>	Status Label <IDENTIFY TSI, ATS, CSI AND NO LABEL SCHOOLS>	Key Initiative to Accelerate Achievement <IDENTIFY THE KEY INITIATIVE>
Whiteford Elementary	No Label	Professional Learning Communities
Whiteford Middle School	No Label	Professional Learning Communities
Whiteford High School	No Label	Professional Learning Communities

In closing, I would like to congratulate all of our students and staff in all that they have accomplished in a year that was filled with so much uncertainty. We may never have imagined that a pandemic would be the driving force in the 2019-2020 school year, but I could have predicted that our staff and students would excel despite it. We are also grateful for the partnership that we have with district families and know now more than ever just how important that is to student success. I encourage all parents to contact their building Principal to learn ways you can be involved in your child's education.

Sincerely,

A handwritten signature in black ink, appearing to read "Valerie Orr". The signature is fluid and cursive, with a large initial "V" and a long, sweeping tail.
